Penetration of fire walls or partitions in non-residential occupancies shall be allowed under the following circumstances:

1. Penetration of the fire wall or partition shall be protected by an enclosure or fire stopping that at a minimum, provides the same rating as the fire wall or partition.
2. Cross-sectional assembly installation plans, including independent or industry rating or listing, shall be submitted to the Laconia Fire Department and Laconia Code Enforcement Office for approval
3. All penetrations of any fire wall or partition shall be inspected by the Laconia Fire Department and/or Code Enforcement Office prior to acceptance and as a condition of the issuance of a Certificate of Occupancy.
4. Unprotected through penetrations of fire stairwells or emergency egress corridors shall be prohibited.
