## Tips on Preparing Your Single Stream Recycling

You may use any rigid household bin or barrel - no limit on size - to place your recycling curbside for collection. Containers are available at local home/garden stores. The City sells 18-gallon recycling bins for \$9.00 each. Recycling stickers are available at DPW.

Please either clearly mark your container "**RECYCLING**", or call Ann at DPW (528-6379, Ext. 300) for free recycling stickers.

Please place your recycling container at least three (3) feet away from your trash containers.

**Remove ALL plastic bags and liners: These items will damage the sorting equipment at the Single Stream Recycling Facility.**

NOTE: Styrofoam is **NOT** currently recyclable on the East Coast. Please place Styrofoam materials in your trash.
