Recycling is simple and easy....Does it tear? Is it clean? Then recycle it!!

Tips on Preparing Your Single Stream Recycling

You may use any rigid household bin or barrel - no limit on size - to place your recycling curbside for collection. Containers are available at local home/garden stores. The City sells 18-gallon recycling bins for \$9.00 each. Recycling stickers are available at DPW. Please either clearly mark your container "RECYCLING", or call DPW (528-6379, Ext. 300) for free recycling stickers.

Please place your recycling container at least three (3) feet away from your trash containers.

Remove ALL plastic bags and liners: These items will damage the sorting equipment at the Single Stream Recycling Facility.

NOTE: Styrofoam is **NOT** currently recyclable on the East Coast. Please place Styrofoam materials in your trash.

GLASS: Please note that at this time it is not economically viable to recycle glass. Please place glass items in with your solid waste.
