

# ADULT CRAFT:

## FOAM WATERCOLOR NOTECARDS

### SUPPLIES

- . Liquid watercolor (shared)
- . Watercolor paper
- . Pie pan
- . Shaving foam (shared)

### TOOLS

- . Dropper (shared)
- . Paper cutter (if needed)
- . Craft stick

### DIRECTIONS

- 1) Cut paper into quarters
- 2) Spray a **thin** layer foam into pie pan, and smooth  
(You do not want too thick of foam or it will all smoosh out)
- 3) Using a dropper, carefully drop colors onto foam
- 4) Swirl drops into a pattern
- 5) Press paper into foam
- 6) Lift gently
- 7) Scrape foam from paper with stick, set aside to dry
- 8) Re-swirl paper and repeat from step 5 (I got about 4 pages from one set of drops)
