

Adult Craft: Sharpie Tie-Dye

Supplies

- White cloth napkin (or your own white cloth item)
- Sharpies in various colors
- Glass jars
- Rubber bands
- Rubbing alcohol with dropper (shared)

Instructions

1. Using rubber bands, stretch the cloth over the mouth of a jar and secure.
2. Draw a pattern or color in the fabric using the sharpies
3. Using the dropper, slowly drop rubbing alcohol over the sharpie ink allow to spread
4. Wait few moments for the alcohol to spread before removing the rubber band
5. Reposition fabric to a new place and repeat

After Class Instructions

- Set color into fabric by applying a hot iron for 5 minutes or placing item in clothes drier on high for 15 minutes.
- *Tip: Be sure your iron is on the highest heat possible when setting the ink.*
- *DO NOT LEAVE IRON IN PLACE! It will burn, just continuously apply heat in circular motion for 5 minutes, work in sections around the shirt and keep iron moving.*
- *Wash shirts separately on the delicate cycle and in cold water.*
