

**Effective 4:30 pm on Monday, March 23, 2020, City Hall will be closed to the public for regular business until further notice.**

- City staff are working and are available to take telephone calls and respond to e-mails.
- If you believe you have business to conduct that is time sensitive in nature, please call one of the departments listed below for additional communication and service.
- Many activities such as motor vehicle registration renewals, paying water/sewer bills, dog licenses and more can be handled on the City's website: [www.laconianh.gov](http://www.laconianh.gov)
- Please note that the NH Department of Motor Vehicles has relaxed or extended deadlines on some vehicle related items such as 20-day plates. Call the City Clerk's office for details.
- The transfer station remains open and day passes can be purchased on-site.
- The Community Center remains closed.
- City parks are open to the public at this time and we encourage proper social distancing.
- The Library is available to patrons for drop-off/pick-up service. See the Library website or call for information.
- The Public Works office is closed to the general public. Please call for permit questions/requests/inspections.
- Welfare staff remain available to assist.
- Check with specific departments or the City website regarding the scheduling of various Board/Commission meetings
