

CURBSIDE PICK-UP AT YOUR LIBRARY

The Laconia Public Library building is currently closed to the public in an effort to help prevent the spread of COVID-19 (Coronavirus). For COVID-19 (Coronavirus) updates please visit: <https://www.nh.gov/covid19/>

Out of an abundance of caution, we are quarantining all returns for one week. We will check returns in once they are out of quarantine and sanitize them to the best of our ability before putting them into circulation. For your protection, if possible, please wipe down any items you are returning or receiving.

RETURNS

If you wish to return items they can be left in the drop slot near the Church Street entrance. Items will then be placed in quarantine for one week before sanitization.

You will have 1 week to pick-up the items. Provide us with an approximate time for pick-up during our new hours and we will set them outside for you.

Homebound delivery and Inter-library loans are not available at this time. If you usually receive outreach and have someone available to come to pick up your requests, we can place them outside for them.
