Snacks-to-Go!

## STEPS

1. Color the clothespin to make your butterfly's body. You can draw eyes and a mouth too, if you want.
2. Fill Ziploc bag no more than halfway with dry snacks.
3. Close the bag, and try to get out as much air as possible.
4. Separate the bag in half down the middle.
5. Roll Ziploc bag up from the bottom. Once it's rolled up, twist it once.
6. Clip your clothespin in the middle of the Ziploc bag.
7. Cut pipe cleaners and add antennae by pushing the middle of the pipe cleaner down into the clothespin. Fold both ends of the pipe cleaner up.
