

Bat Silhouettes

Supplies Needed:

- Black construction paper
 - Yellow construction paper
 - Bat cut-out
 - White paint
 - Small paintbrush
 - Water (optional)
 - Scissors
-

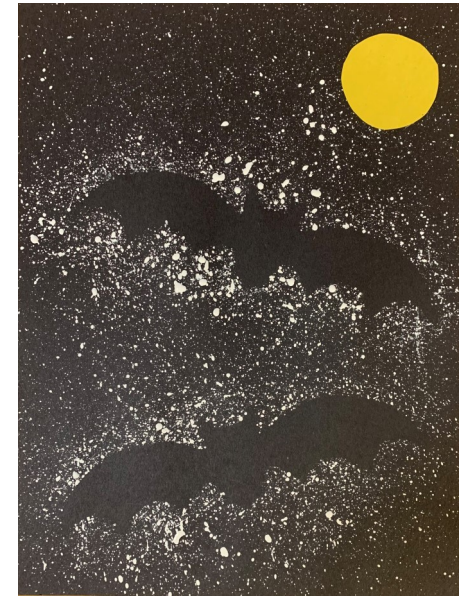

Instructions

- Cut bat shape out of any color paper.
 - Place bat shapes anywhere on black construction paper. (You don't need to tape them down.)
 - Pour a small amount of white paint onto a paper plate.
 - Add a dab of water to the paint (optional– this makes the paint easier to splatter.)
 - Hold paintbrush over black paper, and tap the brush. Paint drops should appear on the paper. Keep dipping in paint and tapping until your paper is covered with white paint dots.
 - Gently pick up your paper bats. There should be black space where your bats were.
 - Cut a circle out of yellow construction paper.
 - Glue the moon onto your night sky.
