

# Easy Bunny Finger Puppet

## Supplies Needed:

- Empty toilet paper roll
- Markers
- Paint (optional)
- Googly eyes (optional)
- Scissors

## Instructions:

- Cut toilet paper tube in half (or a little less than half, for smaller fingers).
- Paint the toilet paper tube (optional).
- If painting, wait for the paint to dry, then draw a bunny face.
- If you have googly eyes, use hot glue to attach them.
- Use your fingers as ears and put on a finger play, or sing a bunny song!
