

Mother's Day Card Craft

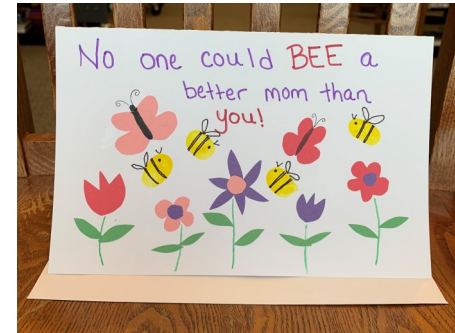

Supplies Needed:

- Cardstock
 - Construction paper (in various colors)
 - Yellow paint
 - Markers
 - Glue stick
 - Scissors
-

Instructions:

- Dip your finger in the yellow paint, and place it on the cardstock (around the middle section) to make bee bodies.
- While the paint is drying, cut pieces of construction paper to make flower and butterfly shapes. You can also make some leaves with green paper, and draw green stems. Glue them to the cardstock.
- When the yellow bees are dry, draw stripes and wings on them with a black marker.
- Write a special message for your favorite mom!
