

# Beeswax Rolled Candles

## SUPPLIES

- Large wax sheet
- Small wax sheet
- Wick
- Shape punches (to share)

## INSTRUCTIONS

1. Choose your colors in a large wax sheet and a small wax sheet.

2. Using the large wax sheet, place the wick along the edge and roll the sheet around it.

3. **IMPORTANT:** The wick is right side up when the "V"s in the beeswax are pointing down.

4. Keep the wick straight and taught as you roll.

5. Using the small wax sheet, cut out shapes with the punches

6. Press the shapes into the rolled candle to make your design.
