PINECONE TREE

SUPPLIES

- 1 pinecone
- 1 wood slice
- 2 cotton balls
- 1 star bead
- Decorations (Ribbons, glitter, mini pompoms, etc.)

TOOLS

- Glue
- Paint
- Paint brush

INSTRUCTIONS

1. Paint the pinecone green with a light layer of paint, both sides of the petals
2. Let dry until mostly dry (thinner layers of paint, dry faster)
3. Stretch out the cotton balls, and glue to the top of the wood slice to make snow
4. Glue the star bead to the top of the pinecone
5. Add your chosen decorations to the body of the pinecone with glue
6. If choosing to add glitter, add dabs of glue to the ends of the petals and sprinkle over
7. Glue pinecone to wood slice as its base
